Amthal Provides A Clear View For Garrard Windows

Amthal has worked closely with Garrard Windows to install smart CCTV systems for its showroom and factory site, to present ultimate protection for staff, customers and premium products in storage.

Garrard Windows is one of the largest suppliers in England, presenting PVC-U and aluminium windows, bifold and patio doors, together with conservatories to the trade, with an objective to remain reliable, efficient and customer orientated.

Manufacturing around 2,500 products a week, to ensure the security of products and supply on site, Garrard Windows called upon Amthal to enhance its security and install CCTV systems throughout its factory and show room site.

Adam Webb, Director of Garrard Windows:
 "Our aim is to supply the window trade with high quality products, always delivered on time and at competitive prices. Many of our existing customers are fabricators themselves, relying on us for extra capacity in busy periods.

"To maintain this commitment and ability to respond quickly to customer requests, we have to ensure maximum security on site at all times. Amthal identified the subtle installation of smart CCTV facilities throughout our premises as added visual protection, to ensure we can view activity on a 24 / 7 / 365 basis, even when we are off site. Our staff are already feeling the benefits and peace of mind security."

David Williamson, Amthal Sales Account Manager:
 "Garrard Windows has a renowned reputation in the industry, not only as one of the largest suppliers, but also in responding quickly to client requests to a high quality standard. It's essential security on site is maintained to a maximum standard to sustain this level of efficiency and reliability.

"FOLLOWING AN ON-SITE INSPECTION, AMTHAL MADE THE RECOMMENDATION OF SMART CCTV SOLUTIONS TO ENSURE DIRECTORS CAN FEEL THE BENEFITS OF HAVING NEW AND IMPROVED TECHNOLOGY HELPING TO SAFEGUARD ASSETS. THE ADDED VISUALITY PROVIDES TOTAL PEACE OF MIND THE RIGHT SECURITY IS IN PLACE TO PROTECT AGAINST ANY RISK, OR POSSIBLE DISRUPTION DUE TO THEFT, TO THE SMOOTH RUNNING OPERATION AND DELIVERY TO OUR CUSTOMERS."
