Market Research & Analysis: Research and analyse market trends, customer needs, and competitive landscape to identify new business opportunities. Work closely with the Group Sales Director to define and segment target markets to focus business development efforts on.

Client Acquisition & Relationship Management: Generate leads through networking, referrals, previous relationships and digital marketing efforts. Conduct meetings and presentations to potential clients to explain services, answer questions, and address concerns.

Product & Service Development: Collect feedback from clients and the market to inform product and service improvements to the Group Sales Director to help support our business strategy. Collaborate with sales team to design and introduce new fire and security solutions inline with our strategy.

Compliance & Risk Management: Stay informed about industry regulations, standards, and best practices to ensure compliance. Identify and mitigate risks associated with new business ventures and partnerships.

Reporting & Analytics: Track and analyse key performance indicators (KPIs) to measure the effectiveness of your business development. Prepare regular reports on business development activities, progress, and outcomes for senior management.

Customer Satisfaction & Retention: Ensure high levels of customer satisfaction by addressing client issues and providing exceptional service.

Design & Quotations: Complete site surveys to design fire and security systems utilising our SaaS based business management system. Present these proposals using our company set templates and guidelines as well as within the timeframe requirements of the customer. Manage your pipeline by following up quotations, negotiating and successfully delivering on outstanding opportunities.

About the process

1. Please apply by uploading your CV via our careers page - [Apply now](#)
2. The next step is an informal phone call with one of the team to check in with and confirm that you've read the job description and are a great skill fit.
3. You will then receive a telephone interview from the Group Sales Director to check you meet the skills requirement for the role along with sharing our values.
4. On success of your telephone interview, you will then be invited to a face-to-face interview at our offices with the group Sales Director alongside another senior team member for a more formal interview process.
5. We will call you to tell you you're successful before putting the offer in writing and beginning to carry out the usual security vetting and checks as required to work in our industry.
